Community Use of School Facilities

School facilities are available to community organizations during non-school hours when such use does not: (1) interfere with any school function or the safety of students or employees, or (2) affect the property or liability of the School District. The use of school facilities for school purposes has precedence over all other uses. Persons on school premises must abide by the District's conduct rules at all times.

Student groups and school-related organizations and local governments are granted the use of school facilities at no cost. Other organizations granted use of facilities may be required to pay current fees and costs.

The Superintendent shall develop procedures to manage community use of school facilities. Use of school facilities requires the Superintendent's approval and is subject to the procedures.

Advertising and Distributing Materials in Schools Provided by Non-School Related Entities

No material or literature shall be posted or distributed that would: (1) disrupt the educational process, (2) violate the rights or invade the privacy of others, (3) infringe on a trademark or copyright, or (4) be defamatory, obscene, vulgar, or indecent.

Community, Educational, Charitable, or Recreational Organizations

The Johnsburg Board of Education reserves the right to authorize the acceptance of donations, patronage, or advertising from non-school related entities. Two general categories will guide the procedural enactment of this policy. Under both conditions, prior approval of the Board is required.

The first category of advertising includes non-exclusive support in terms of patronage, sponsorship, or other contributions that could in any fashion also be construed as advertising. The key concept is that there will be no limit to the number of donors accepted at any sponsorship level.

The second category shall include proposals for advertising where exclusivity is desired in terms of number and type of businesses. These may be approved by the Board, but will require a case-by-case analysis, a fair and confidential bidding process, and be for a specified time period.

Neither of these conditions limits the Board's ability to accept donations or memorials given in a person's or family's name.

Community, educational, charitable, recreational, or similar groups may, under procedures established by the Superintendent, advertise events pertinent to students' interests or involvement. This may include displaying posters in areas reserved for community posters, having flyers distributed to students, or being included in the school's or District's website where appropriate. All material and literature must be student-oriented and have the sponsoring organization's name prominently displayed.

Commercial Companies and Political Candidates or Parties

Commercial companies and political candidates or organizations are prohibited from advertising in schools, on the school grounds, or on school or District websites.

Visitors to and Conduct on School Property

The following definitions apply to this policy:

School property - School buildings and grounds, all District buildings and grounds, vehicles used for school purposes, and any location used for a Board of Education meeting, school athletic event, or other school-sponsored event.

Visitor - Any person other than an enrolled student or District employee.

All visitors to school property are required to report to the Building Principal's office and receive permission to remain on school property. All visitors must sign a visitors' log, show identification, and wear a visitor's badge. When leaving the school, visitors must return their badge. Persons on school property without permission will be directed to leave and may be subject to criminal prosecution.

Except as provided in the next paragraph, any person wishing to confer with a staff member should contact that staff member by telephone or email to make an appointment. Conferences with teachers are held, to the extent possible, outside school hours or during the teacher's conference/preparation period.

Requests to access a school building, facility, and/or educational program, or to interview personnel or a student for purposes of assessing the student's special education needs, should be made at the appropriate building. Access shall be facilitated according to guidelines from the Superintendent or designee.

The School District expects mutual respect, civility, and orderly conduct among all people on school property or at a school event. No person on school property or at a school event (including visitors, students, and employees) shall:

1. Strike, injure, threaten, harass, or intimidate a staff member, a Board member, sports official or coach, or any other person;
2. Behave in an unsportsmanlike manner, or use vulgar or obscene language;
3. Possess a weapon, any object that can reasonably be considered a weapon or looks like a weapon, or any dangerous device;
4. Damage or threaten to damage another's property;
5. Damage or deface school property;
6. Violate any Illinois law, or town or county ordinance;
7. Smoke or otherwise use tobacco products;
8. Consume, possess, distribute, or be under the influence of alcoholic beverages or illegal drugs;
9. Impede, delay, disrupt, or otherwise interfere with any school activity or function (including using cellular phones in a disruptive manner);
10. Enter upon any portion of school premises at any time for purposes other than those that are lawful and authorized by the Board;
11. Operate a motor vehicle: (a) in a risky manner, (b) in excess of 20 miles per hour, or (c) in violation of an authorized District employee's directive;
12. Engage in any risky behavior, including roller-blading, roller-skating, or skateboarding;

13. Violate other District policies or regulations, or a directive from an authorized security officer or District employee; or
14. Engage in any conduct that interferes with, disrupts, or adversely affects the District or a School function.

Convicted Child Sex Offender

State law prohibits a child sex offender from being present on school property or loitering within 500 feet of school property when persons under the age of 18 are present, unless the offender meets either of the following two exceptions:

1. The offender is a parent/guardian of a student attending the school and has notified the Building Principal of his or her presence at the school for the purpose of: (i) attending a conference with school personnel to discuss the progress of his or her child academically or socially, (ii) participating in child review conferences in which evaluation and placement decisions may be made with respect to his or her child regarding special education services, or (iii) attending conferences to discuss other student issues concerning his or her child such as retention and promotion; or
2. The offender received permission to be present from the Board, Superintendent, or Superintendent's designee. If permission is granted, the Superintendent or Board President shall provide the details of the offender's upcoming visit to the Building Principal.

In all cases, the Superintendent, or designee who is a certified employee, shall supervise a child sex offender whenever the offender is in a child's vicinity.

Exclusive Bargaining Representative Agent

Please refer to the following current agreement:

"Johnsburg Teacher's Organization - Board of Education Contract."

For employees not covered by this agreement:

Authorized agents of an exclusive bargaining representative, upon notifying the Building Principal's office, may meet with a school employee (or group of employees) in the school building during free-times of such employees.

Enforcement

Any staff member may request identification from any person on school property; refusal to provide such information is a criminal act. The Building Principal or designee shall seek the immediate removal of any person who refuses to provide requested identification.

Any person who engages in conduct prohibited by this policy may be ejected from school property. The person is also subject to being denied admission to school events or meetings for up to one calendar year.

Procedures to Deny Future Admission to School Events or Meetings

Before any person may be denied admission to school events or meetings as provided in this policy, the person has a right to a hearing before the Board. The Superintendent may refuse the person admission pending such hearing. The Superintendent or designee must provide the person with a hearing notice, delivered or sent by certified mail with return receipt requested, at least 10 days before the Board hearing date. The hearing notice must contain:

1. The date, time, and place of the Board hearing,
2. A description of the prohibited conduct,
3. The proposed time period that admission to school events will be denied, and
4. Instructions on how to waive a hearing.

Accommodating Individuals with Disabilities

Individuals with disabilities shall be provided an opportunity to participate in all school-sponsored services, programs, or activities and will not be subject to illegal discrimination. When appropriate, the District may provide to persons with disabilities aids, benefits, or services that are separate or different from, but as effective as, those provided to others.

The District will provide auxiliary aids and services when necessary to afford individuals with disabilities equal opportunity to participate in or enjoy the benefits of a service, program, or activity.

Each service, program, or activity operated in existing facilities shall be readily accessible to, and useable by, individuals with disabilities. New construction and alterations to facilities existing before January 26, 1992, will be accessible when viewed in their entirety.

The Superintendent is designated the Title II Coordinator and shall:

1. Oversee the District's compliance efforts, recommend necessary modifications to the Board of Education, and maintain the District's final Title II self-evaluation document and keep it available for public inspection for at least 3 years after its completion date.
2. Institute plans to make information regarding Title II's protection available to any interested party.

Individuals with disabilities should notify the Superintendent or Building Principal if they have a disability that will require special assistance or services and, if so, what services are required. This notification should occur as far in advance as possible of the school-sponsored function, program, or meeting.

Individuals with disabilities may allege a violation of this policy or federal law by reporting it to the Superintendent or designated Title II Coordinator, or by filing a grievance under the Uniform Grievance Procedure.

Gifts to the District

The Board of Education accepts gifts from any education foundation or other entity or individual, provided the gift can be used in a manner compatible with the Board's educational objectives and policies. While the Board encourages unrestricted gifts, donations to fund specific projects are acceptable if the project is approved by the Board. The Superintendent shall develop procedures for review and approval of donations that involve incorporating messages into or placing messages upon school property. All gifts received become the School District's property.

Parent Organizations and Booster Clubs

Parent organizations and booster clubs are invaluable resources to the District's schools. While parent organizations and booster clubs have no administrative authority and cannot determine District policy, the Board of Education welcomes their suggestions and assistance.

Parent organizations and booster clubs are recognized by the Board and permitted to use the District's name, a District school's name, or a District school's team name, or any logo attributable to the District provided they first receive the Superintendent or designee's express written consent. Consent to use one of the above-mentioned names or logos will generally be granted if the organization or club has by-laws containing the following:

1. The organization's or club's name and purpose, such as, to enhance students' educational experiences, to help meet educational needs of students, to provide extra athletic benefits to students, to assist specific sports teams or academic clubs through financial support, or to enrich extracurricular activities.
2. The rules and procedures under which it operates.
3. An agreement to adhere to all Board policies and administrative procedures.
4. A statement that membership is open and unrestricted, meaning that membership is open to parents/guardians of students enrolled in the school, District staff, and community members.
5. A statement that the District is not, and will not be, responsible for the organization's or club's business or the conduct of its members.
6. An agreement to maintain and protect its own finances or an agreement to operate under the school's activity accounts.
7. A recognition that money given to a school cannot be earmarked for any particular expense. Booster clubs may make recommendations, but cash or other valuable consideration must be given to the District to use at its discretion. The Board's legal obligation to comply with Title IX by providing equal athletic opportunity for members of both genders will supersede an organization or club's recommendation.

Permission to use one of the above-mentioned names or logos may be rescinded at any time and does not constitute permission to act as the District's representative. At no time does the District accept responsibility for the actions of any parent organization or booster club regardless of whether it was recognized and/or permitted to use any of the above-mentioned names or logos. The Superintendent shall designate an administrative staff member to serve as the liaison to parent organizations or booster clubs. The liaison will serve as a resource person and provide information about school programs, resources, policies, problems, concerns, and emerging issues. Building staff will be encouraged to participate in the organizations.
